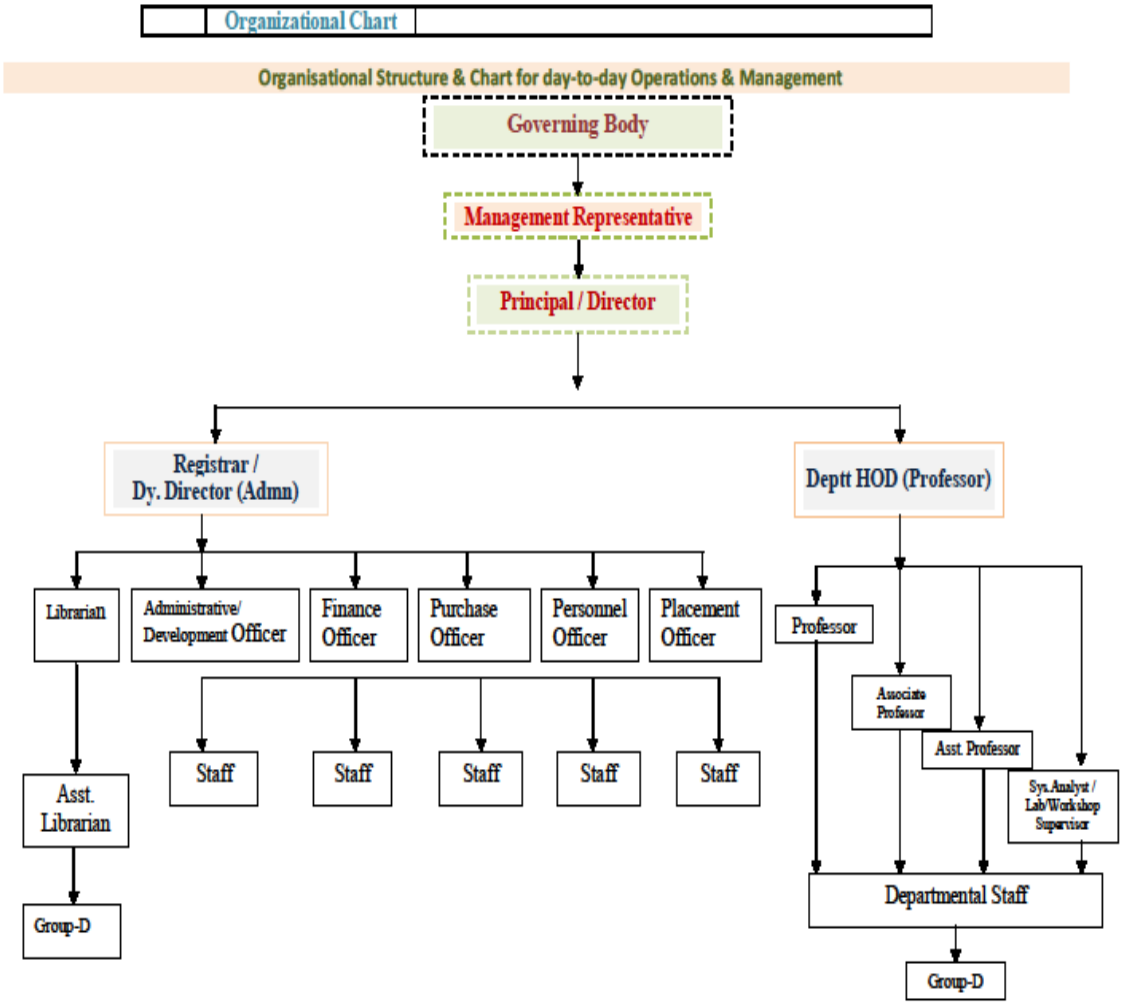
Organizational chart and processes



Nature and Extent of involvement of Faculty and students in academic affairs/improvements

Apart from the meetings of academic advisory body, faculty of each department meet the student representatives on every Saturday to evaluate problems and determine solutions.

Mechanism/Norms and Procedure for democratic/good Governance

The Principal of the college enjoys complete administrative and financial autonomy in operation without interference of the management. The MR meets the staff council once in a month to sort out problems in day-to-day governance.

Student Feedback on Institutional Governance/Faculty performance

Semester-end feedback system has been instituted for faculty evaluation by students. The first set of feedback forms from the students has been evaluated and well thought out solutions for grievances have been worked out. The steps taken have also been duly documented which have been circulated among students which has had perceptible improvement in the students satisfaction index.

Grievance Redressal mechanism for Faculty, staff and students

A senior member functions as the In-charge (Student Affairs) and is responsible for grievance redressal of students. For all the students, we have Teacher-Guardians in the ratio of 1:30 for taking care of academic & personal problems of freshers.

Staff & faculty members meet the Principal every Saturday formally and DGM (Admn) who is from the management is always available for day-to-day discussion of grievances.

Establishment of Anti-Ragging Committee.

Fundamental purpose for which the General Grievance Redressal Committee has been constituted is to address grievances and issues reported by the members of the community other than women or SC/ST aggrieved entities.

Establishment of Online Grievance Redressal Mechanism

Establishment of Online Grievance Redress Mechanism (GRM) is used to establish a fair, independent and consistent system for redressal of various issues faced by the stakeholders and it is also a set of arrangements that enable local communities, employees, out growers, and other affected stakeholders to raise grievances. This mechanism is also worked to develop a responsive attitude among all the constituents, thereby maintaining harmonious atmosphere in the campus

Establishment of Grievance Redressal Committee in the Institution and Appointment of OMBUDSMAN by the University

Establishment of Internal Complaint Committee(ICC)

Every company should have a safe and harassment-free workplace. In the case of the complaint against POSH, the ICC is solely responsible to investigate without being bias. The ICC is required to be vigilant to redress the sexual harassment complaints and resolves the same ASAP. ICC is the sole authority to inquire about the complaints and make efforts to redress the same.The Complaints of sexual harassment at a workplace corrode the persona of not only the complainant and the accused, but of the company and its goodwill as well.

Responsibilities

- Receive complaints of sexual harassment at the workplace
- Initiate and conduct an inquiry as per the company's procedure
- Submit findings and recommendations of all such inquiries
- Coordinate with the Employer in implementing appropriate action
- Maintain strict confidentiality throughout the process as per established guidelines of the Internal Complaints Committee Policy
- Submit annual reports in the prescribed format as prescribed

Establishment of Committee for SC/ST

As per the AICTE, New Delhi / MHRD, New Delhi, Govt. of India / Commissioner of SC/ST development board of Govt. of Odisha which reads "As per the Scheduled Castes and the Scheduled Tribes (Prevention of Atrocities) act, 1989, No. 33 OF 1989, dated 11.9.1989" a committee has been set up in to safe guard the betterment and welfare of the SC and ST staff and students

About SC/ST Grievance Redressal Committee

Grievances Redressal Committee for SC/ST is formed in Trident Academy of Creative Technology, in order to claim accountability, responsiveness, user-friendliness and healthy working atmosphere amongst staff, students & parents. This Committee helps Students as well as employees to record their complaints and solve their problems related to academics, resources and personal grievances. Ragging Complaints will be handled as per the anti-ragging rules of Govt. of India Guidelines. Woman harassment complaints handled as per government guidelines by respective section.

Roles and Responsibilities

1. To protect the rights of SC/ST students/ staff/ teaching faculty given by the constitution of India in various provisions
2. To safe guard the interest of SC and ST faculty/ staff/ students the committee members should be alert and vigilant.
3. To avoid any type of atrocities towards SC/ST people, the committee should take up precautionary action immediately (if any) then and there.
4. The committee should take up issues regarding their timely promotion and betterment & welfare and put up to the higher authorities for necessary action.
5. The committee should review the scholarship issues or any other financial assistants provided by the Government from time to time.
6. The committee should submit the monthly report regarding the problems/ issues of concerned staff/ students/ faculty regarding any matters which may hamper the self-esteem of the SC and ST students and staffs.

Internal Quality Assurance Cell

System‘s productivity can be improved when system will follow the process cycle like “planning-developing-executing–monitoring-analysing” ,just like this, TRIDENT ACADEMY OF CREATIVE TECHNOLOGY(TACT) is aiming for education and research based environment which will be fruitful to the students, follow a process structure executed by Internal Quality Assessment Cell (IQAC).

Internal Quality Assurance Cell, in fact, is conceived as a mechanism to build and ensure a quality culture at the institutional level. The IQAC is meant for planning, guiding and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the colleges. The purpose of higher education revolves around four major concepts such as: Production of qualified human resources, Training for a research career, Efficient management of teaching provision, and Matter of extending life chances. A well-defined, formal, transparent, and credible approach towards quality assurance is the need of the hour to make the higher education especially, professional education delivery system robust and industry updated in developing countries. we are committed to deliver quality higher education to all the socio-economic sections of the society. Our approach to quality assurance involves both internal and external mechanisms that would help strengthen and align academic as well as administrative processes followed in the college thereby achieving excellence in all parameters set by regulatory bodies. The quality policy will act as a guide to develop the quality assurance framework stating principles, guidelines, and procedures for implementation of institutional quality assurance system

Activities of IQAC

Internal as well as external academic audit was done under IQAC and committee analysed the report.

- External peer review conducted by academic monitoring committee under IQAC headed by Principal.
- IQAC connected to all stake holders by means of feedback responses from students, parents, employee, alumni, etc for quality related processes.
- Performance appraisal form of staffs was analysed.
- Introduction of international quality standards in different academic process
- Introduction of required ongoing professional skills to the students in addition to academic program
- Monitored the operations inside the institute by the quality monitoring committee under IQAC.
- Augmentation of required infrastructure for the quality improvement.

The officials exclusively employed for taking care of the needs of hostels, always attend to complaints of sickness immediately and with college vehicles, if necessary, the concerned student is hospitalized at the nearby hospitals like KIIMS, Kalinga Hospitals Ltd, CARE Hospitals, or Utkal hospital. Although the cost of treatment is always to be borne by the concerned student / parents, eventually, the immediate expenditure is always incurred by the college.

The college has three in-campus hostels with capacity of 1500 inmates. The rooms are spacious, well-furnished and duly maintained. Mess facility is provided for students. Hygienic vegetarian and non-vegetarian foods are provided to the students at a nominal rate. Incoming telephone facility is provided for the hostel. There is a small library inside the hostel and is attached to a common room with TV facility. All the hostels have Wi-Fi coverage with a small computer room with internet connection. Hostel is provided with first aid kits and general medicines to take care of simple illness. A consulting room is available in the hostel. The college vehicle has been engaged to shift the sick to nearby hospitals in case of emergency. One pharmacist is always there to ensure medical facilities of students. Furthermore, the hostellers have access to the Central Library in the campus. The hostel is having a recreation hall which acts as a common room for the students with facilities for indoor games. Several news-papers and magazines are subscribed to the hostels. Audio visual facilities are also provided in the hall through television and audio systems. On the innovative front, Institute is planning to setup a rooftop solar system in hostels to provide warm water, to be used for various purposes.

Soft Skill Development Facilities

For engineering and manufacturing sector, as in any other type of jobs, besides technical skills, the management is keenly looking forward to a distinct kind of skill in its potential employees. Whatsoever role one may be looking forward to in an organization, possessing strong soft skills can put one a step ahead in the competition and make him/her a true professional.

Understanding the importance soft skills as an important pre-requisite of any recruiting organization, we at Trident give it a lot of importance in our student's corporate readiness preparations.

To meet the corporate requirements, we put our students on intensive soft skill training, this begins from the very first year of their course. The initial phase of this training includes building the students' confidence & believe that they can do it, followed by honing their speaking ability specially in English. They are exposed to many sessions like:

- Personality Development Programs
- GD & PI Training
  - Team Building
  - Team Communication
  - Team Behaviour
- Developing Lateral Thinking (De Bono Thinking)
- Attire Management
- Etiquette Building – Social & Business

To make these possible, trainers from best training institutes, PAN India & local are employed, like Universal Education, (Bangalore), FACE (Bangalore), EMERGE (Hyderabad), Confidence Factory (BBSR), TWARAN (BBSR).

In the coming sessions we have many **Behavioural Competency Building** programs lined up for the overall development of a person, as a part of corporate readiness program.

19. Accounted audited statement for the last three years.

20. Best Practices adopted, if any

Best practices are a set of guidelines, ethics or ideas that represent the most efficient or prudent course of action. While best practices generally dictate the recommended course of action, Trident Academy of Technology ensures that such practices are followed. Some of the parameters giving the factual information about best practices are given below:

- Availability of lectures on intranet to students after classroom teaching
- Use of multimedia for effective teaching-learning process
- Availability of time schedule to students before start of semester
- Summer training to upgrade the skills
- Career guidance and regular mentoring
- Parents-teachers meet
